→ **Well-informed speakers from the highest levels of the government and the private sector** will provide a unique view into crucial tax-related activities. To be sure the program covers the most important tax issues of the day, most of the program speakers will not be finalized until a later date. However, attached are a general agenda and a list of speakers at previous conferences to show you the level of excellence the Spring Conference has achieved.

→ **Network with your colleagues** – There will be numerous opportunities for you to meet with old friends and make new ones.

→ **Lower room rate** – We have worked with The Breakers for the 5th year to lower the room rate to **\$340/night¹ (for a limited number of rooms)**! You WILL NOT find a lower rate anywhere on the island!

→ **Early departure** – **Official conference activities conclude on Saturday around 11:00 am** so you can either go home early and save the extra night's room fee OR stay an extra night and enjoy a night out with your family and colleagues!
